Our Alma Mater's golden name

Shall ring forever more.

Her praises till eternity

From loyal hearts shall pour.

Her standards high and symbols clear,

We'll ever keep in sight.

She'll be our torch and shine forever,

And be our guiding light.

Dear Seniors:

It is very appropriate that you have dedicated this year's Annual to the Memory of Mr. John Romero. John was a Cathedral High School graduate who made a career of, and became a very influential person in the field of politics, not only on the local and state level but also in the National sphere. Yet, he ever kept in sight the "standards high and symbols clear" of his Alma Mater and made them part and parcel of his daily living, thereby proving that one can be a good statesman and a good Catholic gentleman at the same time. May his memory inspire each one of you to imitate those virtues which made John Romero an outstanding, loved and respected Catholic gentleman in the world of politics, and those qualities of character which made him a loyal, co-operative, hardworking alumnus of Cathedral High School.

Farewell Juniors

There are many memories from three years of high school: The tingling excitement of football that is heightened by the crisp fall air; the night before the research paper is due; the Reflector deadline, the January Ball, the Prom.

But these all fade, and the morning fog that devours the world before the eyes of the watcher preys upon the mind, blotting out all memories save one: The people. A teacher that kindles a flame never to be extinguished; the comradeship of hard work; the fun of working on floats, of pep rallys and games, the hearing of Fr. Ivo, "All right; 50¢ or a day in jug."

All these bring memories of people, a thousand of them - thrown together for three years in the same brick building, with the same freezing gym classes and the same impossible Trig problems. You are seniors now, we are leaving you behind to carry on our work. The success or the failure of the coming year depends on you. Make the best of it, and when your time to graduate has come, remember us, the 1965 Senior Class, wishing you the best of luck always.

Rick Barnett races down the court to make two points

Each year in Panther land our basketball team tries to improve its past record. This year's efforts resulted in a record of 11 wins and 11 losses. Although the account of their victories and defeats was not the very best among the schools, our players did a great job on the court, and represented our school, our spirit, and our capabilities to their best.

A valiant effort was placed forth by all, and they deserve our sincere congratulations.

Mothers receive corsages at Homecoming.

Homecoming was one of the activities sponsored by the Pep Squad.

There are many ingredients for a good year in sports and at CHS, we believe a major one is the Pep Squad. We consider the Pep Squad to be the right hand in the organization and development of many activities having to do with the athletic department.

The girls of the Pep Squad decorate, collect money for different programs, oversee trips and parades, hold pep rallies, sponsor dances and sales, and most of all, they give the team backing and encouragement to win games.

The Torch staff would like to thank the Pep Squad for the splendid job they have done this year.
